हमने रचनात्मक लेखन के अंतर्गत कहानी लेखन के नियमों पर चर्चा करते हुए, विभिन्न उदाहरणों द्वारा इसे समझकर कहानी लिखने का प्रयास किया।

NUMERACY

Be more. Be better.

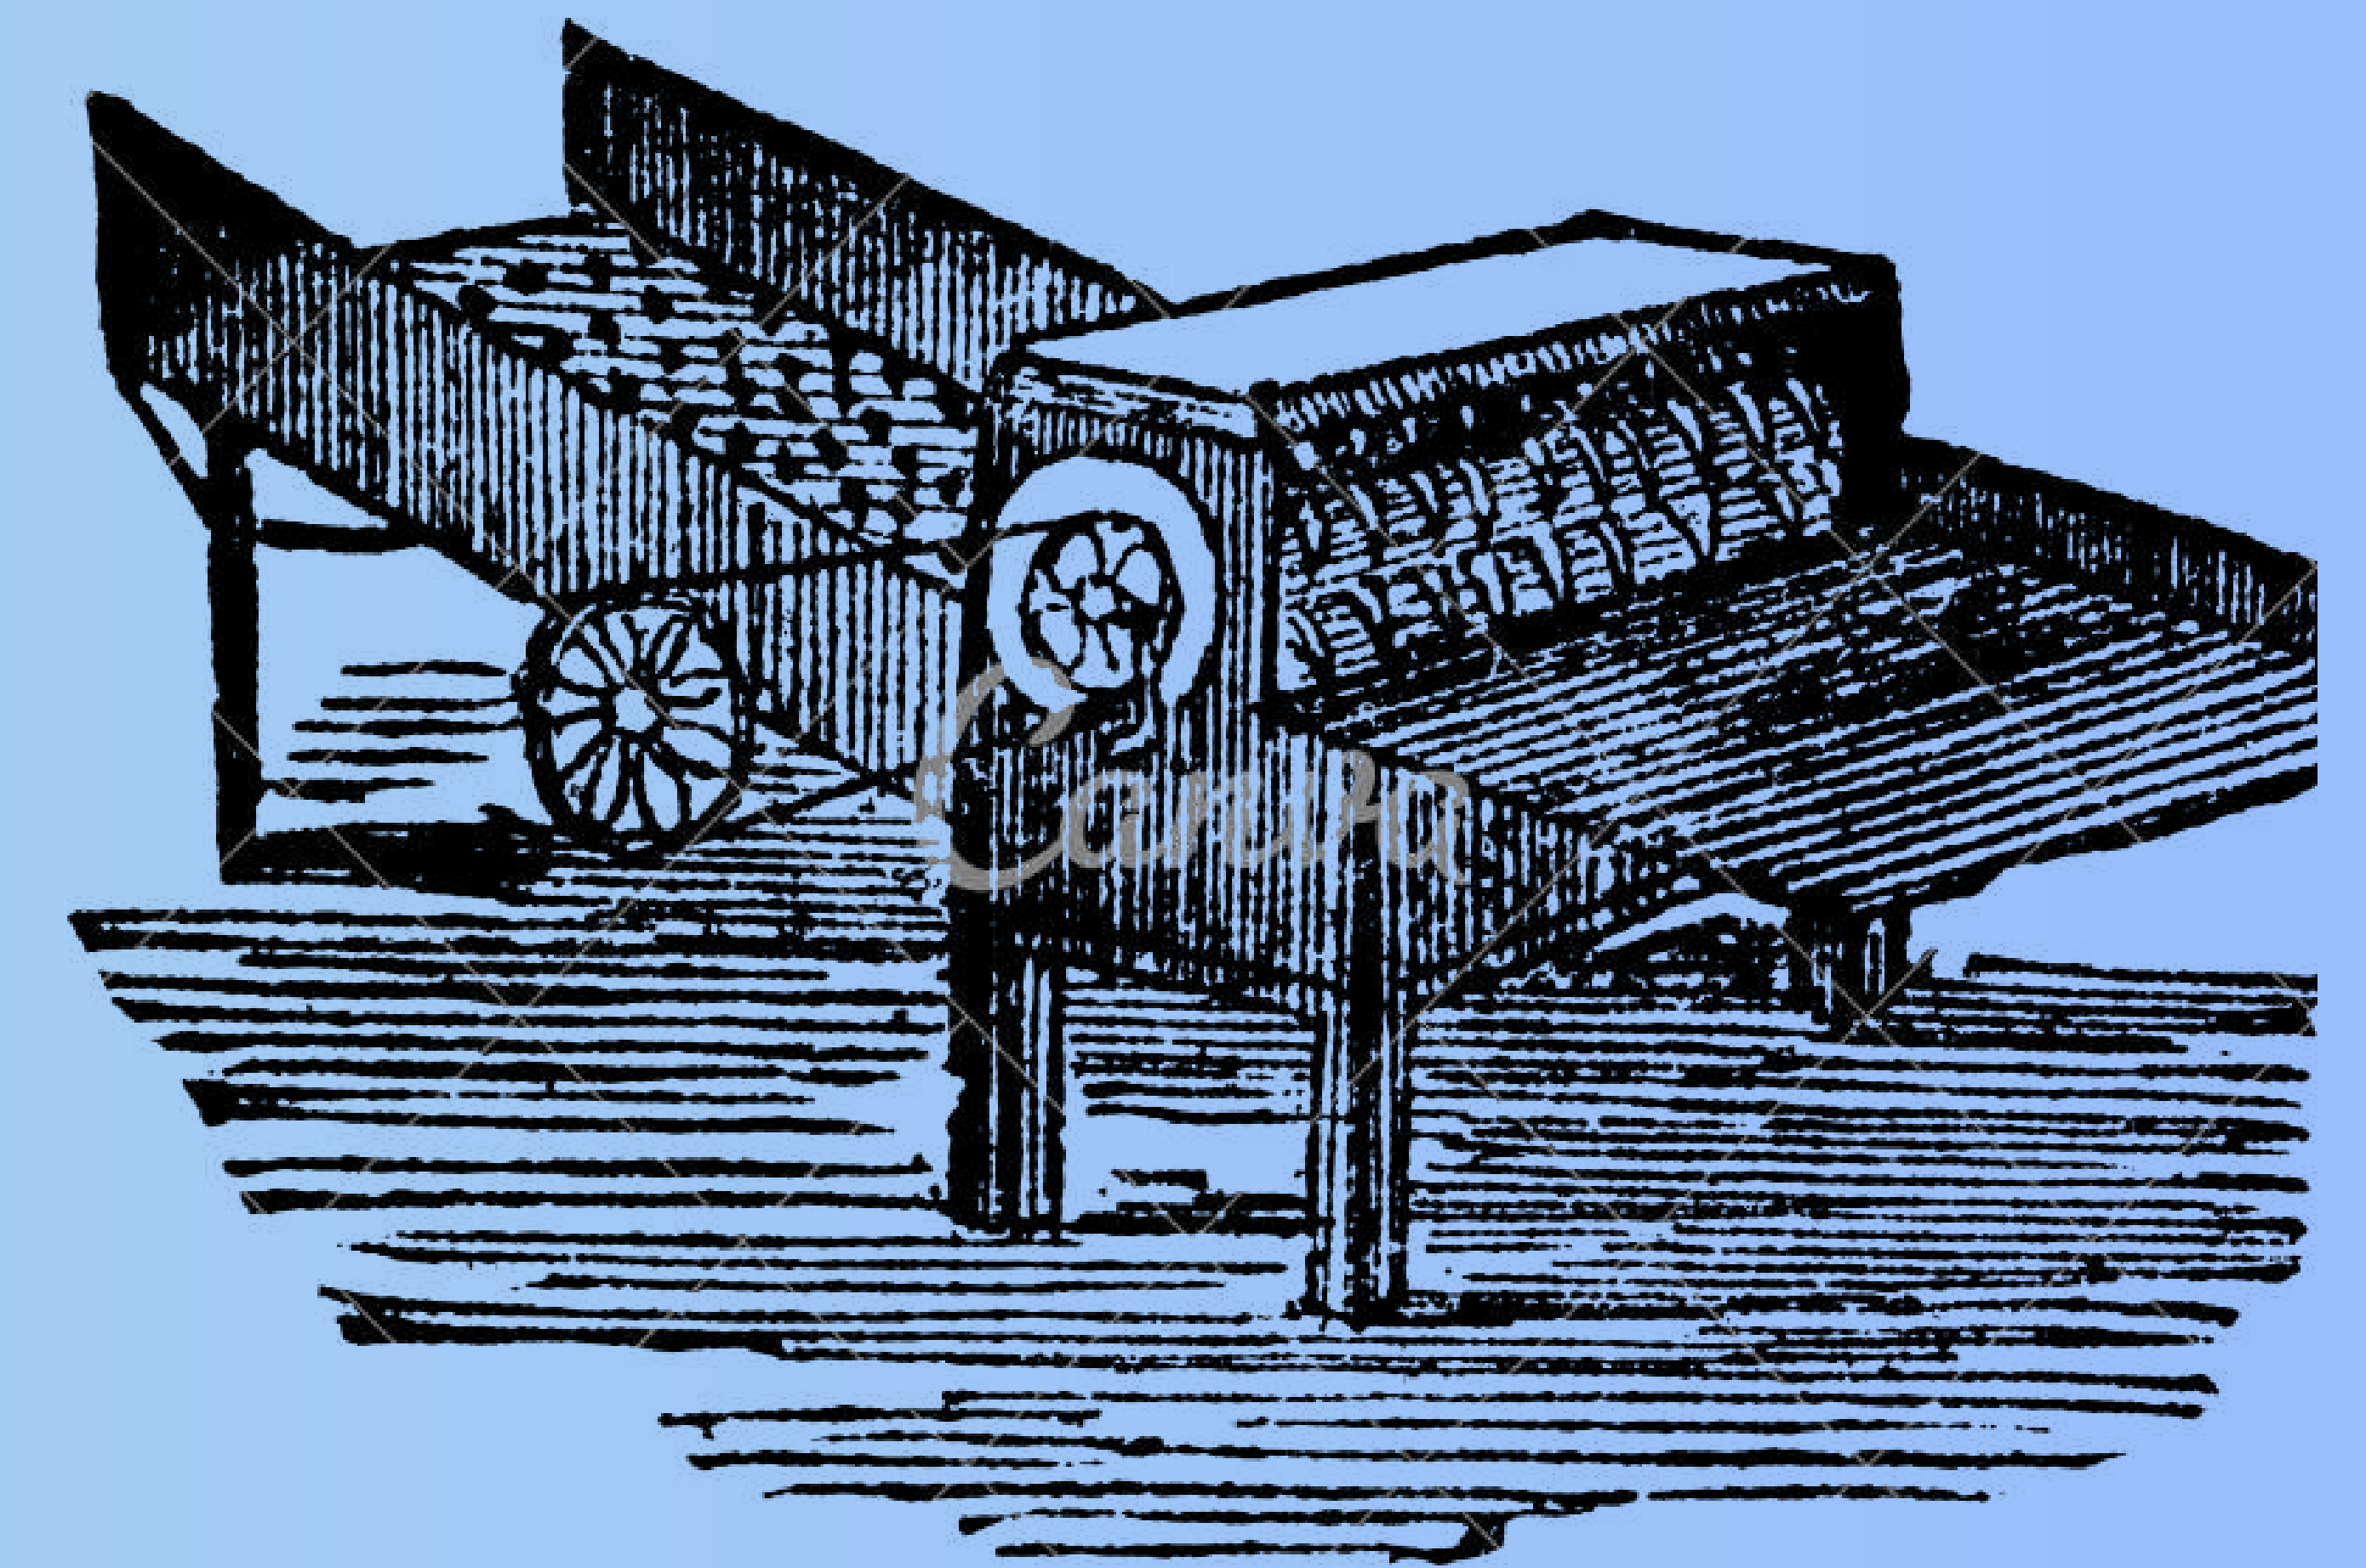

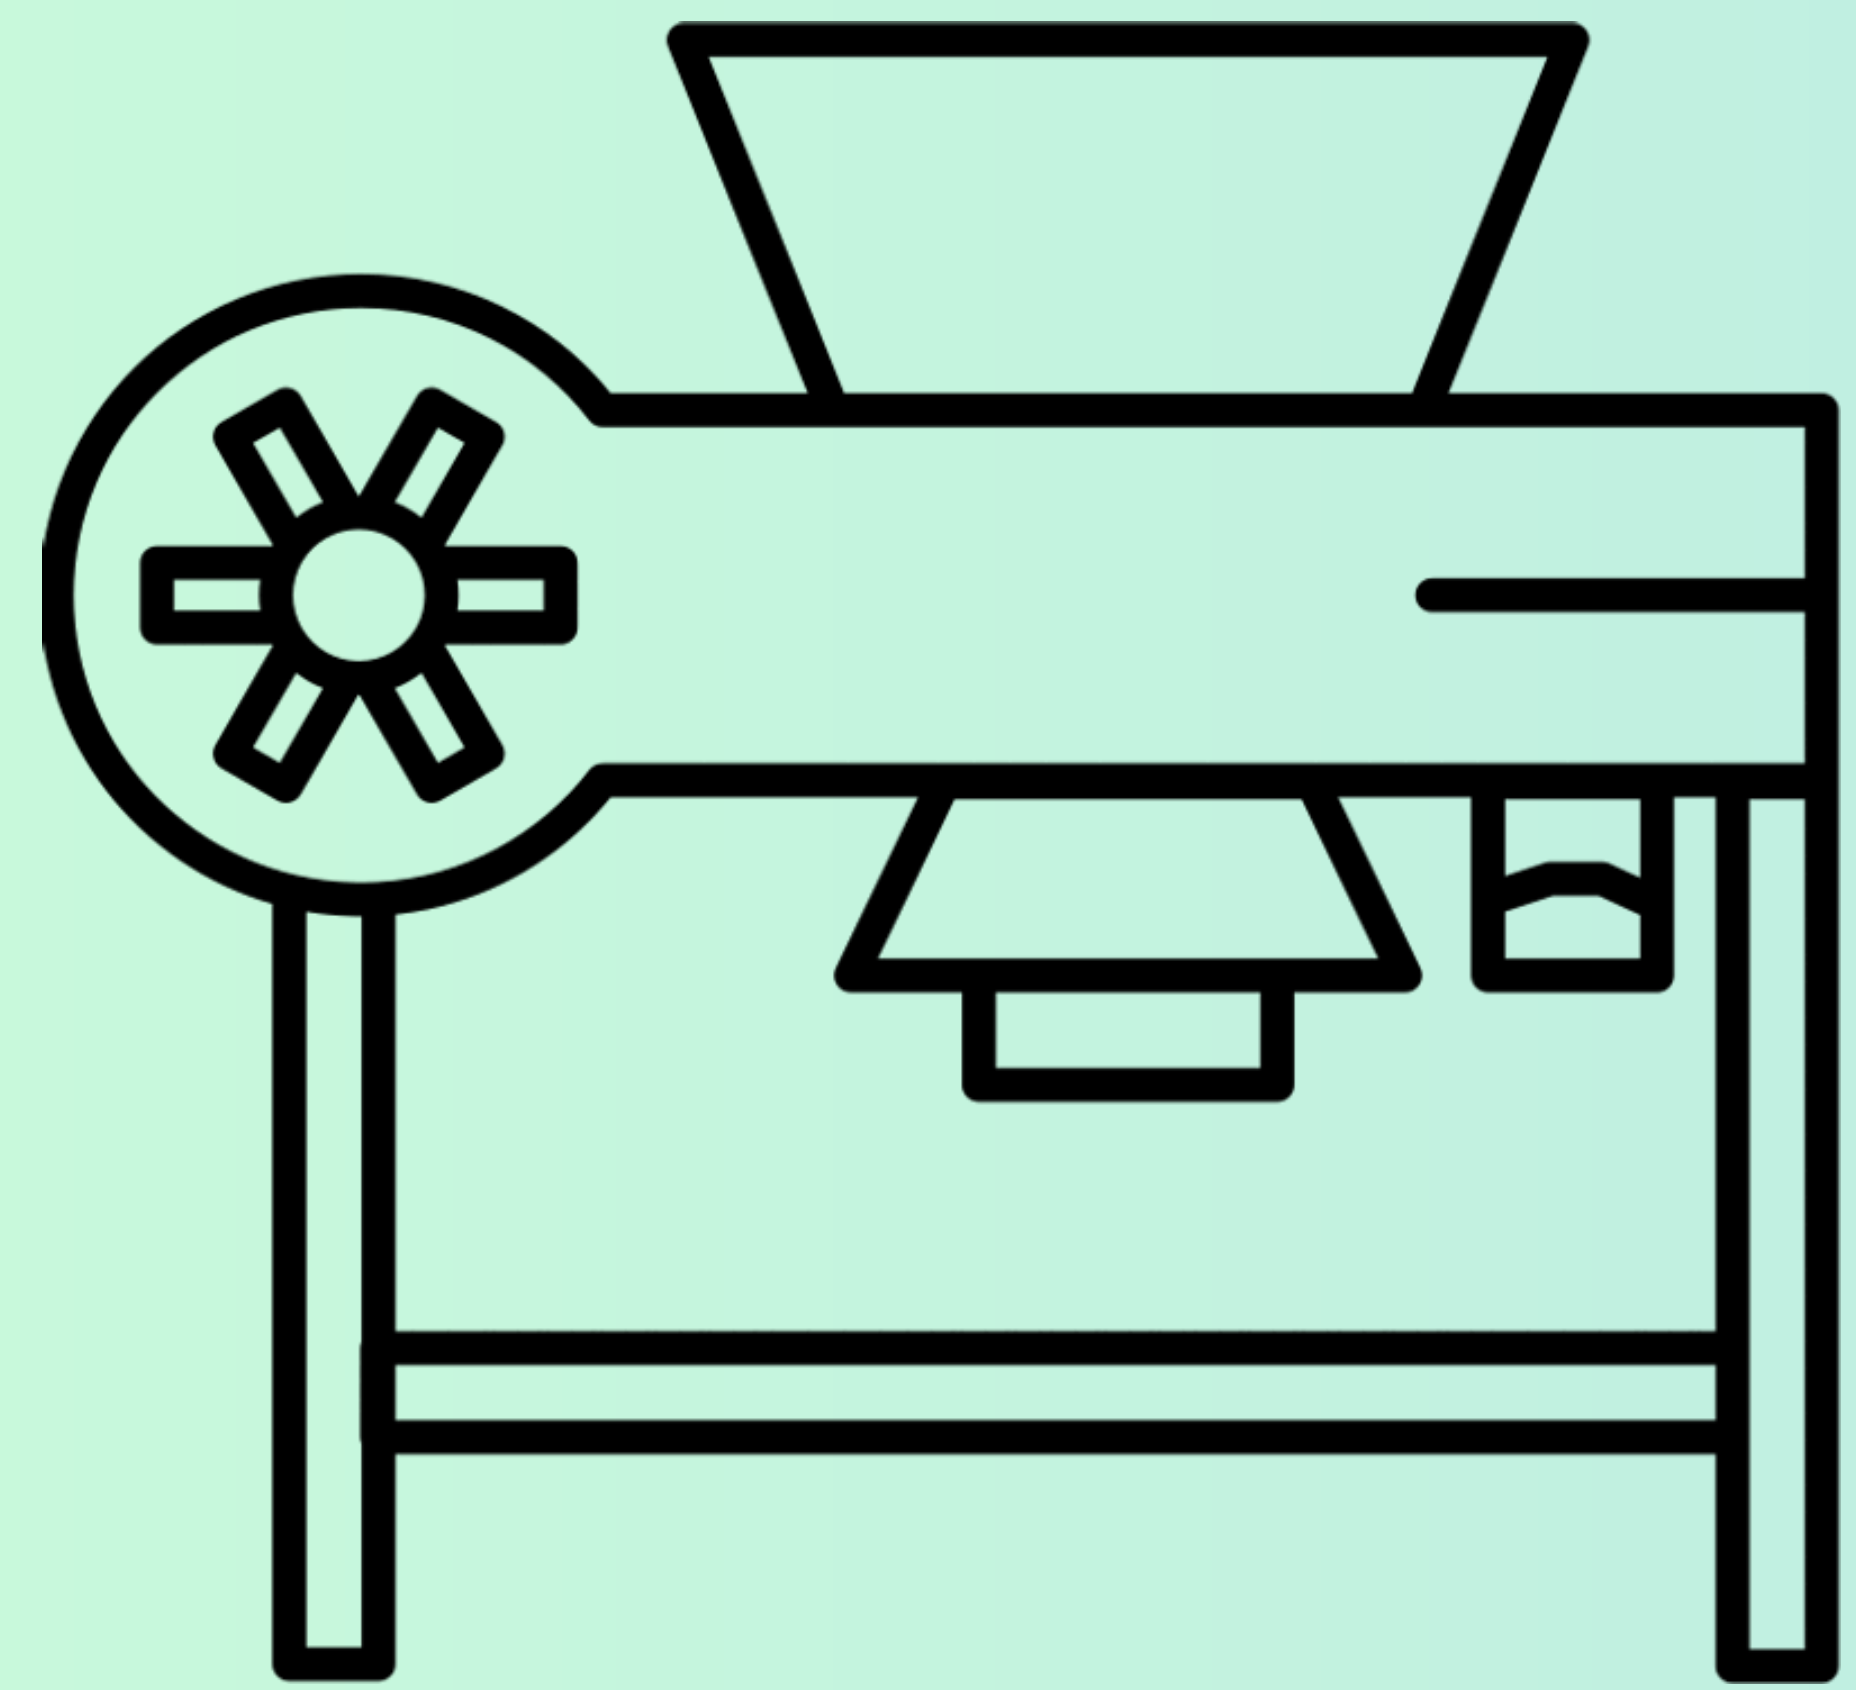

KHAITAN
WORLD SCHOOL

In our Numeracy sessions, we continued with integers and learnt subtracting more than two integers. Additionally, we started new concept 'Understanding Elementary Shapes' where we learnt the importance of using ruler and divider to measure line segments.

SCIENCE: SEPERATION OF SUBSTANCES

In our Science lessons, we started with a new topic 'Seperation of Substances' where we understood the different techniques of seperating substances. The techniques were handpicking, seiving, threshing and winnowing through audio-visual mode and hands on learning.

SOCIAL SCIENCE

This week in our Social Science classes, we crafted seals and toys from clay, delving into the history of the earliest cities. Through hands-on clay modelling, we learned about the lifestyles, culture, and innovations of early urban societies.
